v. Brief Summary of Events / Sessions

Under the guidance of Hon'ble Dr Mahadev Gavhane the Department of Information Technology taken initiative to design and run online certificate course.

vi. Brief Summary of Events / Sessions

Under the guidance of Hon'ble Dr Mahadev Gavhane the Department of Information Technology taken initiated to design and run online certificate course. Python is popular language because of its beginner-friendly syntax, efficiency, and versatility. It can be used in wide variety of tasks like data analysis, data visualization, task automation, scripting, machine learning and more. It was decided to design a course on Python. Accordingly, the faculty members of department of Department of Information Technology Mr. Riyaj Shaikh and Mr. Vishwanath Panchal designed the syllabus of course Hands on Python Programming, prepared video contents of course using video recording and editing software applications. These videos were kept on Google drive and

shared their link with participants on Telegram group. This online certificate course was of four weeks duration. Every week the video and assignment link was shared. It was mandatory for the registered participants to submit assignment of every week and attempt final examination of course in order to get certificate. The total 38 participants were registered for this course.
Dr. Manjusha Shinde worked as coordinator for this course from R. S. M. Latur.

vii. Conclusion, with Feedback on the Certificate Course:

The final examination was conducted through Google Form on 11/05/2026. The copy of certificate was issued to those participants who have successfully submitted all four-week assignments and passed the final examination. The students got detailed knowledge about Python programming. List of participants attached.

Date: 15 May 2026.
