National Conference : 'Effective Implementation of Innovative and Best Practices in Higher Education'

➤ **Introduction:**

The landscape of higher education in India is undergoing a transformative shift, driven by the National Education Policy (NEP) 2020, emerging technologies, and a renewed focus on learner-centric excellence. To address these evolving needs and enhance academic quality, a one-day National Conference titled "Effective Implementation of Innovative and Best Practices in Higher Education" was successfully organized on March 12, 2026. This prestigious event was hosted by the Departments of Political Science, Public Administration, and Sociology at Rajarshi Shahu Mahavidyalaya (Empowered Autonomous Institution), Latur, under the aegis of the Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) in collaboration with the Maharashtra State Faculty Development Academy (MSFDA), Pune.

The conference specifically highlighted the intersection of Social Sciences with modern governance and societal development, emphasizing how Political Science, Public Administration, and Sociology act as the bedrock for informed citizenship. Discussions focused on pedagogical shifts such as experiential learning in policy analysis, the use of digital archives for sociological research, and the integration of community-based projects to make these subjects more relevant to the contemporary job market. By centering the dialogue on these disciplines, the organizers underscored the necessity of a multidisciplinary approach where social awareness and administrative efficiency go hand-in-hand with technological progress.

Furthermore, a significant portion of the deliberations was dedicated to the role of institutional autonomy in driving quality enhancement. Participants explored how empowered autonomous institutions can leverage their flexibility to design industry-aligned courses and implement formative assessment techniques that move beyond traditional examinations. The collaboration with MSFDA, Pune, emphasized that the successful implementation of any policy ultimately rests on faculty capacity-building. The conference concluded with a collective roadmap for institutions to achieve global standards of excellence while remaining deeply rooted in the Indian ethical and social context.

➤ **Objectives:**

- To share innovative models in Teaching, Learning, and Evaluation.
- To highlight best institutional practices aligned with National and Global benchmarks.
- To strengthen research, innovation, entrepreneurship, and extension activities.
- To promote collaboration, quality enhancement, and educational development.
- To create a collaborative platform for academicians, researchers, industry experts, administrators, and students to share successful practices.
- To showcase innovations and explore strategies for effective implementation in higher education institutions across India

About College

Rajarshi Shahu Mahavidyalaya, Latur (Empowered Autonomous Institution), established in 1970 by the Shiv Chhatrapati Shikshan Sanstha, Latur, with the mission 'Pursuit of Excellence'. The institution is dedicated to the imperative of delivering **quality education** to the students from underserved societal segments. Affiliated with Swami Ramanand Teerth Marathwada University, Nanded, the institution attained the coveted status of **academic autonomy** in 2013. Notably, it holds the distinction of being the **pioneering institution in the Marathwada Region** of Maharashtra State to secure academic autonomy. The University Grants Commission conferred the esteemed status of '**College with Potential for Excellence**' in three phases: Phase I (2006), Phase II (2009), and Phase III (2014). Furthermore, the institution received structural support under the Department of Science and Technology-FIST scheme in Phase I (2014) and Phase II (2023).

The college's commitment to persistent experimentation, academic excellence, and the cultivation of merit has culminated in the development of its own distinct educational methodology, known as the '**Shahu Pattern**', which is widely recognized as the '**Latur Pattern in Education**'. The Government of Maharashtra has officially mandated its adoption and execution across all educational institutes via a formal circular.

In recognition of its singular contributions to the education sector, the Government of Maharashtra bestowed the inaugural '**Ideal Educational Institute Award in 2000**'. The college was the first institution in the Marathwada region to undergo **NAAC assessment in 2003**, securing '**A**' grade with a high score of 88.25%. In the most recent Cycle IV (2024) NAAC assessment, the institution achieved the highest rating of **A+ Grade** with a CGPA of 3.49. The institution proactively adopted the National Education Policy-2020 from the Academic Year 2023-24. The academic portfolio under NEP-2020 comprises 19 UG and 13 PG Programmes. Furthermore, **eleven of its departments** are recognized as **Research Centers** by the Parent University.

About the Departments

The Departments of Political Science, Public Administration, and Sociology are centers of academic excellence. They promote critical understanding of politics, administration, and society. The departments link Indian realities with global perspectives.

Academic Programs: Undergraduate programs serve both rural and urban students. A postgraduate program in Political Science functions as a recognized research centre.

Areas of Focus: The departments analyze social and political structures. They study governance at local, state, and national levels. Key political theories and ideologies strengthen conceptual clarity. International relations and public administration enrich the curriculum.

Achievements: The departments regularly organize academic events. NEP-2020 is successfully implemented. Fieldwork, surveys, and interviews are integral activities. Students actively engage in community outreach. Local issues are addressed through academic initiatives.

Our Approach: Learning is practical and field-oriented. Students are trained as problem solvers and leaders. The departments promote social responsibility and regional development.

About the National Conference

The landscape of higher education is rapidly transforming with new opportunities, emerging technologies, dynamic learning needs, and policy reforms. Institutions are increasingly adopting innovative and best practices to enhance teaching-learning processes, research productivity, quality assurance, employability, and overall institutional excellence.

This National Conference aims to create a collaborative platform for academicians, researchers, industry experts, administrators, and students to share successful practices, showcase innovations, and explore strategies for effective implementation in higher education institutions across India.

Objectives of the National Conference

- To share innovative models in teaching, learning and evaluation.
- To highlight best institutional practices aligned with national and global benchmarks.
- To strengthen research, innovation, entrepreneurship, and extension activities.
- To promote collaboration, quality enhancement, and educational development.

About PM-USHA

Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) is a flagship centrally-sponsored initiative dedicated to elevating the quality and equity of higher education across India. In a significant milestone for institutional excellence, Rajarshi Shahu Mahavidyalaya, Latur (Empowered Autonomous Institution) has been selected as a beneficiary of this program. The institution has been awarded a prestigious grant under the "Grants to Strengthen Colleges" scheme, aimed at bolstering infrastructure, academic resources, and research capabilities.

How to Reach Latur

Nearest airport is Shri Guru Gobind Singh Ji Airport, Nanded about 125 KM from Latur. Nearest railway stations are Latur (LUR) and Latur Road (LTRR). Other railway stations are Solapur (SUR) and Nanded (NED).

Nearby Places to Visit

Near Latur, one can visit Parli Vajinath, Nanded's Hazur Sahib Gurudwara, and Tuljapur's Tulja Bhavani Temple for spiritual sites. Within Latur and its immediate vicinity, popular attractions include Ausa Fort, Udgir Fort, and the Kharosa Caves.

About Registration

Registration for the National Conference is required to be completed through MSFDA. The registration fee is ₹1000. The registration link will be shared in the WhatsApp group two days prior to the conference.

Technical Session –I (Time: 10:00 am to 11.30 am)

Resource Person
Dr. Rajendra Shinde

Topic: *Innovative Teaching-Learning Practices for Enhancing Quality in Higher Education*

CV of Resource Person:

Director, Board of Innovation, Incubation, Linkages and Placements at **HSNC University, Mumbai**.

Academic Leadership & Experience

- Dedicated **35-year tenure** at St. Xavier's College, Mumbai, progressing from Curator of the Blatter Herbarium to **Principal (2018–2025)**.
- Maintained the institution's standing within the **Top-100 NIRF rankings**.
- Spearheaded the successful implementation of **NEP-2020**.
- Former **Chairman of the Board of Studies in Botany** at the University of Mumbai.

Research & Contributions

- **Specialization:** Plant Taxonomy (Ph.D. in Botany).
- **Discoveries:** Identified **four new plant species**.
- **Publications:** Authored 4 books and over 60 research papers.
- **Curation:** Served as the Director of the **Blatter Herbarium**.

International Exposure

- Served as a **Senior Lecturer** at the University of Guyana.
- Selected for the **Fulbright-Nehru International Educational Administrators** program in the USA.

Awards & Recognition

- **Maharashtra Shiksha Bhushan Puraskar** (2025).
- **Best Principal Award**, University of Mumbai (2023).
- **Dr. Hermengild Santapau Gold Medal** for lifetime achievement in taxonomy.

Personal Interests & Mentorship

- Continues to mentor doctoral scholars and advise institutions on **academic autonomy**.
- Deeply engaged in **nature education, trekking, and wildlife photography**.

➤ Session Overview:

Dr. Rajendra Shinde delivered a comprehensive discourse on the critical transition from traditional pedagogical frameworks to modern, student-centric teaching-learning models. Drawing upon his three decades of experience in higher education administration and his pivotal role in implementing the **National Education Policy (NEP-2020)**, Dr. Rajendra Shinde articulated that quality enhancement in education is no longer an option but a survival necessity in a globalized academic landscape.

Key Highlights and Insights

- **The Paradigm Shift in Pedagogy:** Dr. Rajendra Shinde emphasized that the "sage on the stage" model is rapidly becoming obsolete. He advocated for a transition toward **active learning**, where the educator acts as a facilitator rather than a mere transmitter of information. By integrating innovative methods, institutions can move beyond rote memorization toward the development of critical thinking and analytical skills.
- **Catalyzing Student Engagement:** A central theme of the session was the role of innovation as a driver for student interest. Dr. Rajendra Shinde discussed various high-impact practices, including **Blended Learning**, the **Flipped Classroom** model, and **Experiential Learning**. He noted that when students are actively involved in the "creation" of knowledge—through field studies, case investigations, or collaborative projects—their retention and academic rigor improve significantly.
- **Aligning with Global Standards & NEP-2020:** Reflecting on his leadership at St. Xavier's College and his current role at HSNC University, Dr. Rajendra Shinde highlighted how interdisciplinary approaches are essential for quality enhancement. He stressed that innovative teaching must be mapped to **Learning Outcomes (LOCF)**, ensuring that every lecture contributes to a specific set of graduate attributes that are recognized globally.
- **Technology as an Enabler, not a Substitute:** While discussing the digital transformation of classrooms, he cautioned that technology should be used to augment the human element of teaching. He explored the use of **LMS (Learning Management Systems)**, digital repositories, and interactive tools to create a more inclusive and accessible learning environment for diverse student populations.
- **Institutional Excellence and Autonomy:** Dr. Rajendra Shinde shared insights into how pedagogical innovation directly impacts institutional rankings (such as **NIRF**) and accreditation. He argued that for an institution to achieve true excellence and autonomy, it must foster a culture of continuous faculty development and be willing to experiment with unconventional teaching methodologies that bridge the gap between academia and industry.

Participants in Technical Session- I

Technical Session –II (Time: 11.45 am to 1.15 pm)	
Resource Person Dr. Jyoti Singh	Topic: <i>Curriculum Development and Academic Flexibility: Experience from Autonomous and Affiliated Colleges</i>

CV of Resource Person:

General Manager (Academics and Training) at the Maharashtra State Faculty Development Academy (MSFDA), Pune.

Educational Background

- **Ph.D.** in Organizational Management.
- **MBA** from Savitribai Phule Pune University.
- **Alumna of IIM Ahmedabad** (Advanced Faculty Development Programs).
- Specialized international training in **Behavioral Science**.

Core Expertise

- **Leadership:** Behavioral dimensions and responsible leadership.
- **Psychology:** Human motivation and emotional intelligence.
- **Personal Growth:** Fostering self-awareness and structured self-development.

Professional Contributions

- **Statewide Initiatives:** Designing large-scale faculty development programs.
- **Digital Learning:** Conceptualizing innovative digital solutions for professional communities.
- **Research:** Authored numerous research papers and case studies (published via the **IIM Case Clearing House**).

Memberships & Philosophy

- **Associate Member** of the Indian Society for Training and Development (ISTD).
- **Professional Philosophy:** Rooted in lifelong learning and the practical application of academic insights to higher education.

➤ Session Overview:

The second technical session of the conference featured an in-depth exploration of **Curriculum Development and Educational Flexibility**, presented by Dr. Jyoti Singh, General Manager (Academics and Training) at the **Maharashtra State Faculty Development Academy (MSFDA), Pune (Empowered Autonomous Institution)**. Utilizing her specialized background in organizational management and leadership, Dr. Singh delivered a comprehensive analysis of the evolving landscape of higher education, focusing on the strategic advantages of academic autonomy over traditional affiliation models.

Key Highlights and Strategic Insights

- **The Mandate for Student-Centric Curricula:** Dr. Jyoti Singh argued forcefully that the traditional, lecture-heavy instructional model has become inadequate for contemporary needs. She advocated for a framework that prioritizes **practical applicability** and **multi-dimensional skill development**. The core of her argument rested on the necessity of bridging the gap between theoretical constructs and real-world execution to ensure academic relevance.
- **Academic Flexibility as a Pedagogical Necessity:** A significant portion of the discourse was dedicated to the concept of **Academic Flexibility**. Dr. Jyoti Singh clarified that flexibility is not merely an administrative convenience but a vital tool for cultivating a workforce that is both industry-ready and socially conscious. She emphasized that institutions must move beyond rigid structures to accommodate the diverse learning speeds and interests of the modern student.
- **Leveraging Autonomy for Innovation:** As a representative of an **Empowered Autonomous Institution**, Dr. Jyoti Singh encouraged colleges to fully utilize their academic freedom. She proposed the introduction of:
 - **Interdisciplinary Courses:** Breaking silos between departments to foster holistic thinking.
 - **Vocational Integrations:** Embedding industry-specific skills directly into the academic degree.
 - **Elective Choice Architecture:** Allowing students to tailor their learning paths according to their career aspirations.
- **Fostering Reflection and Self-Awareness:** Drawing from her professional philosophy, Dr. Jyoti Singh highlighted the importance of creating a learning environment rooted in reflection. She noted that when curricula encourage self-awareness, they produce more than just graduates; they develop **responsible leaders** capable of navigating complex professional and social ethical landscapes.
- **Bridging Education and Social Impact:** The session concluded with the powerful insight that modern curricula must be dual-purpose. They must empower students to contribute effectively to the economic engine of the nation while remaining deeply rooted in the broader social fabric, ensuring that educational progress leads to collective societal well-being.

Participants in Technical Session-II

Technical Session –III (Time: 2.00 pm to 3.30 pm)

Resource Person
Dr. Nilesh Berad

Topic: *Reforms in Assessment and Evaluation Systems in Higher Education*

CV of Resource Person:

- **Joint Director** at the Maharashtra State Faculty Development Academy (MSFDA), Pune.

Professional Background

- **Corporate:** Former **Brand Manager** for major pharmaceutical firms, including Ranbaxy Laboratories and Panacea Biotech.
- **Academic Governance:** Serves on Boards of Studies and Academic Councils for **over 14 universities**, including Savitribai Phule Pune University.
- **International:** Experienced in international teaching (Dubai).

Education & Certifications

- **Alumnus of IIM Ahmedabad.**
- **AIMA Accredited** Management Teacher.
- **Certified NLP Life Coach.**

Research & Scholarly Impact

- **Mentorship:** Successfully guided **12 Ph.D. researchers**.
- **Publications:** Published over **35 papers** in high-impact journals (Scopus, ABDC, UGC-CARE).
- **Intellectual Property:** Holds **nine copyrights** and **one patent**.

Strategic Vision & Focus

- **National Alignment:** Focused on the implementation of **NEP-2020** and **Viksit Bharat 2047**.
- **Innovation:** Specializes in institutional excellence and the integration of **Generative AI** in education.
- **Capacity Building:** Pivotal in shaping state-level policy and faculty transformation in management and technical education.

➤ Session Overview:

The third technical session of the conference focused on the vital theme of **Reforms in Evaluation and Examination Systems**, led by Dr. Nilesh Berad, Joint Director at the **Maharashtra State Faculty Development Academy (MSFDA), Pune (Empowered Autonomous Institution)**. Drawing from his extensive experience as an alumnus of **IIM Ahmedabad** and his leadership roles across 14 university academic councils, Dr. Nilesh Berad provided a strategic roadmap for transforming assessment methods to align with global standards and the **National Education Policy (NEP-2020)**.

Key Highlights and Strategic Insights

- **The Ethical Core of Assessment:** Dr. Nilesh Berad addressed the critical need for **neutrality and ethical integrity** in the evaluation process. He argued that the credibility of an educational institution rests on the transparency of its examination system. He urged educators to move beyond subjective biases, ensuring that assessments remain a fair and honest reflection of a student's true capabilities.
- **From Grading to Holistic Measurement:** A primary theme of the discourse was the shift from "grading for selection" to "measuring for development." Dr. Nilesh Berad outlined principles for creating systems that do not merely rank students but accurately measure **holistic development**, including cognitive, affective, and psychomotor domains. This approach ensures that evaluation becomes a tool for improvement rather than just a final judgment.
- **Implementing Continuous and Comprehensive Evaluation:** Dr. Nilesh Berad advocated for a move away from high-stakes, end-of-year examinations toward more frequent, varied assessments. He discussed how **Formative Assessments** such as presentations, projects, and peer reviews can provide real-time feedback, allowing for timely pedagogical interventions that benefit the student's learning journey.
- **Technology and AI in Evaluation:** Leveraging his expertise as a subject matter expert in **Generative AI**, Dr. Nilesh Berad explored how digital tools can streamline the examination process. He highlighted the role of automated grading for objective components and the use of AI to detect patterns in student performance, while cautioning that technology must serve to enhance, not replace, the professional judgment of the educator.
- **Policy Alignment and Institutional Excellence:** The session concluded with a focus on how reformed evaluation systems directly contribute to **Institutional Excellence**. Dr. Nilesh Berad noted that robust, innovative assessment frameworks are essential for achieving higher rankings in **NIRF** and securing **NAAC** accreditation. He emphasized that for India to reach the vision of **Viksit Bharat 2047**, the examination system must evolve to certify genuine skill and analytical competence.

Technical Session –IV (Time: 03.45 pm to 05.15 pm)	
Resource Person Dr. Rajendra Shinde	Topic: <i>Institutional Best Practices for Academic Excellence and Quality Assurance</i>

➤ **Session Overview:**

The concluding technical session of the conference shifted the focus toward the macro-level responsibilities of higher education centers, led by Dr. Rajendra Shinde, Director of the **Institute for Innovation, Leadership, and Programmes (IILP) at HSNC University, Mumbai**. Drawing from his distinguished career as a botanist, academic administrator, and former Principal of **St. Xavier's College (Empowered Autonomous Institution)**, Dr. Rajendra Shinde provided a strategic framework for embedding excellence into the very fabric of institutional identity.

Key Highlights and Strategic Insights

- **The Ethical Mandate of Institutional Responsibility:** Dr. Rajendra Shinde posited that academic excellence is not achieved in a vacuum. He argued that institutions have a fundamental responsibility to ensure that their "best practices" are not merely administrative checkboxes but are deeply **socially relevant**. Excellence, in his view, is measured by the positive impact an institution leaves on its stakeholders and the environment.
- **Innovation for Local Problem-Solving:** A central theme of the session was the "**localization of innovation**." Dr. Rajendra Shinde emphasized that for innovative practices to be truly effective, they must be tailored to solve **local community issues**. He encouraged colleges to engage in community-based research and extension activities, effectively transforming the campus into a laboratory for social and ecological solutions.
- **Strategic Dimensions of Institutional Best Practices:** Dr. Rajendra Shinde outlined several pillars that define an excellent institution:
 - **Student-Centricity:** Moving from a "teaching" to a "learning" model using **Flipped Classrooms and Experiential Learning**.
 - **Academic Flexibility:** Utilizing the status of an **Empowered Autonomous Institution** to introduce interdisciplinary courses and credit transfers via the **Academic Bank of Credits (ABC)**.
 - **Vocational Integration:** Embedding industry-recognized certifications within the degree framework to ensure students are "job-ready."
- **Institutionalizing Success through Documentation:** Reflecting on the rigorous requirements for **NAAC** and **NIRF** rankings, Dr. Rajendra Shinde highlighted that a "best practice" only becomes institutionalized when it is consistently applied, documented, and scaled. He shared insights from his leadership at **HSNC University** on how to create a culture where faculty and students collaborate on projects that bridge the gap between classroom theory and societal needs.
- **Sustainability and Future-Proofing:** Dr. Rajendra Shinde discussed the importance of aligning institutional goals with the **National Education Policy (NEP-2020)** by fostering interdisciplinary and value-based education. He emphasized that the mark of a truly

"excellent" institution is its ability to produce graduates who are not only professionally competent but also ethically grounded and socially aware.

- **The Role of Quality Assurance:** The session concluded with a call to action for institutions to align their quality assurance measures monitored by the **Internal Quality Assurance Cell (IQAC)** with long-term developmental goals, ensuring that educational progress leads to collective societal well-being and institutional sustainability.

- ❖ अध्यक्षीय मनोगत : डॉ. महादेव गव्हाणे
- ❖ आभार : प्रा. ज्ञानेश्वर बनसोडे
- ❖ सूत्रसंचालन : प्रा. सुदर्शन पाटील

➤ **Summary of Valedictory function:**

The conference culminated in a distinguished **Valedictory Function**, graced by the presence of **Principal Dr. Mahadev Gavhane**, **Vice-Principal Prof. Sadashiv Shinde**, **Dr. Omprakash Shahapurkar** (Controller of Examinations), **Dr. Anuja Jadhav** (Head, Department of English). The session served as a reflective conclusion to the day's intensive academic discourse, bringing together the insights gained across four comprehensive technical sessions.

Key organizers including **Prof. Dnyaneshwar Bansode**, **Prof. Rutuja Bavachkar**, **Dr. Vitesh Nikte**, **Dr. Mahadev Jadhav**, **Prof. Sayali Samudre**, and **Dr. Bhagwant Bokade** were recognized for their pivotal roles in ensuring the seamless execution of the proceedings.

In his presidential concluding address, **Principal Dr. Mahadev Gavhane** expressed his satisfaction with the depth of the discussions. He reaffirmed the institution's mission to be a pioneer in academic excellence and urged the participating faculty to implement the innovative practices discussed during the sessions within their respective classrooms. **Prof. Dnyaneshwar Bansode** provided a summary of the conference outcomes, noting that the core objectives—ranging from curriculum flexibility to evaluation reforms—had been successfully addressed through the enthusiastic participation of professors from various colleges.

The session was skillfully moderated by **Prof. Sudarshan Patil**, who synthesized the key takeaways from the visiting resource persons. To conclude the event formally, a **Vote of Thanks** was proposed by **Prof. Shrikrishna Panchal**, expressing deep gratitude to the guests, resource persons, and the organizing committee for creating a vital platform to address the future challenges and opportunities in higher education.

The valedictory session also emphasized the importance of sustained collaboration between autonomous institutions and state-level bodies like the MSFDA. It was noted that the success of the conference lay not just in the theoretical exchange of ideas, but in the creation of a tangible roadmap for institutional growth. This forward-looking approach ensures that the "best practices" identified during the day will be translated into actionable strategies, ultimately benefiting the student community and elevating the standards of higher education in the region.

Date: 12/03/2026

Letter of Gratitude

To,

Dr. Rajendra Shinde

Director, IILP, HSNC University,

Mumbai.

On behalf of our Institution, I express my deep sense of gratitude towards you for spending your valuable time and sharing your knowledge on **“Innovative Teaching-Learning Practices for Enhancing Quality in Higher Education”** with participants through your talk as a Resource Person in the PM-USHA Sponsored National Conference on **“Effective Implementation of Innovative and Best Practices in Higher Education,”** organized by the Department of Political Science, Public Administration & Sociology, Rajarshi Shahu Mahavidyalaya, Empowered Autonomous Institution, Latur, in collaboration with MSFDA, Pune, on **Thursday, 12th March 2026.**

Your insightful deliberation greatly benefited the participants and enriched the academic discussions during the conference. We look forward to your continued cooperation and guidance in future academic activities.

With Regards,

Shinde

General Manager (Academics),
MSFDA, Pune.

On behalf of our Institution, I express my deep sense of gratitude towards you for spending your valuable time and sharing your knowledge on **“Curriculum Development and Academic Flexibility: Experiences from Autonomous and Affiliated Colleges”** with participants through your talk as a Resource Person in the PM-USHA Sponsored National Conference on **“Effective Implementation of Innovative and Best Practices in Higher Education,”** organized by the Department of Political Science, Public Administration & Sociology, Rajarshi Shahu Mahavidyalaya, Empowered Autonomous Institution, Latur, in collaboration with MSFDA, Pune, on **Thursday, 12th March 2026.**

Your insightful deliberation greatly benefited the participants and enriched the academic discussions during the conference. We look forward to your continued cooperation and guidance in future academic activities.

With Regards,

Principal
