B) Report

i. Title:

Orientation Programme on Environmental Sustainability (Inter Departmental Activity of Faculty of Commerce & Green Club)

ii. Introduction

Environmental Sustainability aims to balance ecological, economic and social goals. As the Earth has limited resources, it is very important to preserve natural resources and ensure a healthy future for all living beings. It also helps in reversing climate change and avoiding future disasters. This Orientation programme is organized with a view to equip students with the knowledge and practices needed to protect the planet for future generations, promoting responsible consumption, reducing waste, and advocating for healthier environment.

iii. Objectives of the Programme/ issues addressed:

1. To create awareness among students about Environmental Sustainability.
2. To motivate students to protect environment.
3. To encourage students to use renewable energy resources.
4. To familiarize students with eco-friendly product and its impact on environmental sustainability.

iv. Details of Participants:

Total 235 participants (89 Male and 146 Female) were present for the orientation programme.

v. Brief Summary of Events/ Sessions

The Faculty of Commerce has organized Orientation Programme on Environmental Sustainability on 21st January 2025 at 09:00 AM. The orientation programme aims at familiarizing students with environmental sustainability and its importance in present era. Resource person Dr. K. B. Shinde (Asst. Prof., Dept. of Geography & Incharge Green Club) provided the thorough knowledge about environmental sustainability and needs to preserve natural resources for future generation. He also guided the students to use renewable energy resources and eco-friendly products to protect environment. The programme was run by Ms. G. K. Kombade.

vi. Conclusion, with Feedback on the Programme :

The students participated with great enthusiasm. This orientation programme creates awareness among students about environmental sustainability. It stimulates the students to select eco-friendly product and renewable energy resources.
