B) Report

i. Title of the Report: Round Robin Storytelling

The Department of English, Rajarshi Shahu Mahavidyalaya, Latur, organized a **Round Robin Storytelling** activity under **Langlit – Students' Association 2026–27** on 22 August 2026 at 2.00 p.m. in the Audio Visual Lab. The activity was designed to provide students with an engaging platform to develop their English language skills through collaborative and creative storytelling.

ii. Objectives of the Programme

- To develop students' speaking and listening skills
- To encourage creativity and imagination, improve vocabulary and sentence formation, and build confidence in using English.
- To promote teamwork, active participation, quick thinking, and effective communication among students.

iii. Details of Participants

30 students from UG and PG programs and 2 teachers and 1 non-teaching staff attended the program.

iv. Brief Summary of Events/ Sessions

Dr Chandrashekhar Dawane introduced program's main objectives and benefits for the students. There were 7 groups of students from UG and PG. In every group 4-5 students were there. The students participated enthusiastically and contributed different ideas, characters, situations, and events to the stories. Following stories were told by students- The Mysterious Box, A Day Without Electricity, The Unexpected Visitor, A Journey to the Future, The Lost Mobile Phone, The Magic Door, An Unusual College Day, The Missing Book, A Message from the Future, The Day Everything Went Wrong.

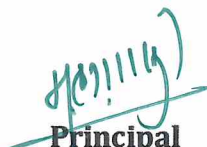

The activity encouraged students to think spontaneously and express their thoughts in English without hesitation. Since every participant had to continue the story from where the previous participant stopped, the activity also developed listening comprehension and the ability to maintain continuity and coherence.

v. Conclusion, with Feedback on the Programme

The **Round Robin Storytelling** activity was an effective and enjoyable language-learning experience. It successfully combined creativity, communication, collaboration, and learning in an interactive classroom environment. The enthusiastic participation of the students demonstrated the effectiveness of activity-based language learning. The activity contributed significantly to enhancing students' confidence and communicative competence in English and fulfilled the objectives of **Langlit – Students' Association 2026–27**. Dr Anuja Jadhav, Head of the English Department congratulated all students who participated in the activity and gave best wishes for next program, Shaikh Javeriya anchored the program and Mr Parasram Bhopale proposed vote of thanks.
