B) Report

I. Title

A Guest Lecture on "Competitive Examinations and Career Opportunities in Life Sciences"

II. Introduction

Science is advancing in a fantastic area to create technology that will advance humanity. Thus, choosing biotechnology as your primary professional path is one of the wisest choices. One of the most popular courses for learning about new technologies in this industry is biotechnology. The purpose of a guest lecture on "Competitive Examinations and Career Opportunities in Life Sciences" is to familiarise students with the range of career options available in the biotechnology industry. On July 13, 2024, the Department of Biotechnology at Rajarshi Shahu Mahavidyalaya, Latur (Autonomous), hosted a guest lecture.

III. Objectives

- To create awareness among students about various opportunities in Biotechnology.
- To conduct interactive session for students with professionals who can share their valuable knowledge and experience in the field they are serving.
- To motivate and orient students to qualify different competitive examination in biotechnology to choose a better career in future.
- To promote education and research in Biotechnology.

IV. Details of Participants

112 Participants (62 Male and 50 female) attended the lecture.

V. Brief Summary of Events/ Sessions

Mr. Bhaurao Choushette, the Director of the Institute of Biological Sciences in Aurangabad, conducted an engaging session aimed at familiarizing students with the various competitive examinations available for higher education in Biotechnology. He detailed prominent exams such as the Graduate Aptitude Test in Engineering (GATE), the Joint Admission Test for M.Sc. (JAM), and entrance tests for prestigious institutions like the Indian Institutes of Science (IISc) and Indian Institutes of Technology (IITs). By breaking down the significance, eligibility criteria, and structure of these exams, Mr. Choushette provided students with a clear understanding of what to expect as they prepare to advance their academic careers in this dynamic field.

In addition to outlining the exams, Mr. Choushette shared practical strategies to help students qualify. He emphasized the importance of creating a structured study plan that incorporates specific goals and time management. Regular self-assessment through mock tests and practice questions was highlighted as a key technique for tracking progress. Furthermore, he encouraged students to strengthen their grasp of foundational subjects such as molecular biology and biochemistry, while also utilizing diverse resources like textbooks, online courses, and mentorship from experienced faculty and alumni. Through these strategies, Mr. Choushette aimed to equip students with the tools and confidence needed to successfully navigate their upcoming competitive examinations and achieve their aspirations in the field of Biotechnology.

VI. Conclusion, with Feedback on the Programme

The guest lecture covered different career opportunities and competitive examinations in biotechnology and life sciences. The guest lecture was beneficial to both UG and PG students of biotechnology which will help them understand various competitive examinations and related career opportunities.
