B) Report

I. Title

Workshop on Personality Development & Soft Skills.

II. Introduction

The "Workshop on Personality Development & Soft Skills " was organized on February 11, 2025, at 11:00 AM. The session aimed to enhance participants' personal growth and professional skills, focusing on key areas such as communication, leadership, and time management. Through interactive activities and insightful discussions, attendees were guided on how to build a positive personality and develop essential skills for career success. The workshop offered practical tools and techniques for improving self-awareness, boosting confidence, and effectively managing challenges in personal and professional environments.

III. Objectives of the Programme/ Issues addressed

- To help participants understand their strengths, weaknesses, and personal traits to improve self-confidence and emotional intelligence.
- To equip attendees with techniques for clear, confident, and impactful communication in both personal and professional settings.
- To foster skills in leadership, collaboration, and managing team dynamics to prepare participants for future leadership roles.
- To provide tools for prioritizing tasks, managing time effectively, and increasing personal productivity.
- To guide participants on setting achievable goals, overcoming obstacles, and continuously developing skills for ongoing success in their careers and personal lives.

IV. Details of Participants

Total Participants 21 Female and 35 Male attended the program.

V. Brief Summary of Events/ Sessions

In this workshop which was held on February 11, 2025, featured a comprehensive session led by Mr. Kalyan Vishwanathan. During the workshop, Mr. Vishwanathan demonstrated the SWOT analysis technique (Strengths, Weaknesses, Opportunities, and Threats), helping participants identify their personal and professional strengths and areas for growth. This exercise allowed attendees to gain insights into their own capabilities and how they could leverage opportunities to overcome challenges. Additionally, Mr. Vishwanathan provided valuable guidance on personality development on social media, with a particular focus on LinkedIn. He explained how professionals could strategically build their personal brand, improve their online presence, and create a compelling LinkedIn profile. Emphasizing the platform's importance, he highlighted how LinkedIn can be a powerful tool for networking, career growth, and showcasing skills to potential employers or collaborators. By the end of the workshop, participants had a clearer understanding of how to use both personal development strategies and social media tools to enhance their professional lives.

VI. Conclusion with Feedback on the Programme

Overall, Mr. Kalyan Vishwanathan's session offered insightful information about professional and personal growth. He assisted participants in evaluating their opportunities, threats, vulnerabilities, and strengths by illustrating the SWOT analysis technique, which enabled them to make well-informed decisions for their own development. Furthermore, by demonstrating how a strong online presence can improve employment chances, Mr. Vishwanathan underlined the importance of personality development on social media, especially on LinkedIn.
