## B) Report

### i. Title

Industry-Academia Workshop on "Career Opportunities and Competitive Examinations in Life Science"

### ii. Introduction

Science continues to expand rapidly, creating vast opportunities for the development of technologies that contribute significantly to the betterment of humankind. In this context, choosing Biotechnology as a career option stands out as a wise and forward-looking decision. Biotechnology is among the most sought-after disciplines today, as it equips students with knowledge of cutting-edge technologies and interdisciplinary approaches that are shaping the future of healthcare, agriculture, industry, and environmental sustainability. The lecture was designed to familiarize students with the wide range of career paths available in biotechnology and life sciences, including higher education, research, government services, and industry-oriented roles. The Guest Lecture was successfully organized by the Department of Biotechnology, Rajarshi Shahu Mahavidyalaya (Autonomous), Latur, on 18 December 2025, and served as a valuable platform for students to gain clarity, motivation, and guidance for building a successful career in life sciences.

### iii. Objectives of the Programme/ issues addressed

- To enhance students' awareness of the diverse academic, research, and career opportunities available in the field of Biotechnology.
- To provide students with direct interaction opportunities with experienced professionals, enabling them to gain practical insights and real-world perspectives.
- To guide and motivate students to prepare for and qualify various competitive examinations related to Biotechnology and Life Sciences.
- To orient students toward informed career planning and decision-making for a successful future in the biotechnology sector.
- To encourage interest in higher education, innovation, and research activities in the field of Biotechnology.

### iv. Details of Participants

Total 70 Student participants have attended this program (Male 32 and Female 38).

## v. Brief Summary of Events/ Sessions

The speaker, Dr. Bhaurao Choushette, who serves as the Director of Cellulaedutech Pvt. Ltd., Chhatrapati Sambhajinagar, and the Institute of Biological Sciences, Chhatrapati Sambhajinagar, acquainted the students with the various competitive examinations available for pursuing higher education in Biotechnology and Life Sciences. Detailed information was provided regarding the nature, scope, and importance of these examinations, enabling students to gain a clear understanding of the academic and research pathways open to them after graduation. Furthermore, the speaker elaborated on effective strategies to successfully qualify these competitive examinations, including systematic preparation methods, appropriate study resources, time management techniques, and exam-oriented approaches. Drawing from extensive professional and academic experience, the session offered practical guidance and motivation, helping students build confidence and develop a focused approach toward achieving their career goals in the field of biotechnology.

## vi. Conclusion, with Feedback on the Programme

The guest lecture provided comprehensive insights into the wide range of career opportunities available in the fields of Biotechnology and Life Sciences, along with detailed information about various competitive examinations relevant to these disciplines. The session highlighted multiple academic, research, and industry-oriented career pathways, helping students gain a clearer perspective on future prospects in the field. The lecture proved to be highly beneficial for both undergraduate and postgraduate students of Biotechnology, as it enhanced their understanding of different competitive examinations, eligibility criteria, and preparation strategies.
