## **B) Report**

**i) Title:** Nursery Visit

**ii) Introduction:**

The Nursery visit and study tour encourages students to immerse themselves in overseas study environment, exposing students to campus life and culture. It promotes experimental learning with direct experience. Apart from building academic capability, study tour also aims at building life skills such as team work, communication, problem solving skills and discussion making that are only obtained through life experience. This programme gives students the opportunity to learn the techniques of nursery and gardening. Hence, Department of Botany Organized Nursery Visit at Suchiparn Nursey for B.Sc. I students.

**iii) Objectives of the programme:**

1. To enrich experience regarding gardening.
2. To understand the different stages of plant life.
3. To know how the commercial nurseries, produce and distribute the plants.
4. To learn the techniques of nursery management.

**iv) Details of participants: 16** (Male-02 & Female-14)

**v) Brief summary of Events:**

To promote the students for entrepreneurship department of Botany Organized Nursery Visit at Suchiparn Nursey, Latur for B.Sc. I students. After arriving at the Suchiparna Nursery Ms P.V. Kumbhar briefed the theoretical aspects of Lawn & Nursery management. After that students observed all plants. Miss P. B. Gore introduced the different types of plants in the nursery. Technical experts guided the students about the methods and techniques of Nursery and Gardening. They also gave information about various plants like Dracaena, Casurina, Bonsai, zamia, Snake Plant, Hydrangea etc. and equipments like Spade, Trowel, Sovel, Hoe, Crowbar, Sickle, various shapes & size of pots etc.

**vi) Conclusion of the Visit:**

Students got knowledge about the methods and techniques of Nursery and Gardening. Students get aware about opportunities about Nursery and Gardening. The student have seen the gardening implements and learned their practical use. The students also got the knowledge of plant disease management in the nursery.
