B) Report

i) Title: Celebration of World Cancer Day

ii) Introduction:

World Cancer Day is led by the Union for international Cancer Control to support the goals of the world Cancer Declaration. World Cancer day celebrated globally to raise awareness about cancer, its causes, prevention, detection, and treatment. The primary goal of World Cancer Day is to significantly reduce illness and death caused by cancer and is an opportunity to rally the international community to end the injustice of preventable suffering from cancer. We celebrate it to educate people about cancer, its types, symptoms, and risk factors. By spreading awareness we can encourage people to take preventive measures and seek medical attention if they notice any unusual symptoms.

iii) Objectives of the programme:

1. To raise awareness about the common types of cancer.
2. To raise awareness about cancer, its causes, prevention, detection, and treatment.
3. To encourage healthy lifestyle choices and preventive measures.
4. To support research and development of new treatments and cures.
