10) Source of Funding:		Not Applicable		

B) Report

i) Title: Poster Presentation on the occasion of Birth Anniversary of E. J. Butler

ii) Introduction:

Department of Botany Organized Poster Presentation competition on the occasion of Birth Anniversary of E. J. Butler for B.Sc and M.Sc. students to educate them with the how to present the poster. So that students could able to know about the contribution of E. J. Butler in the field of Plant Pathology. A poster presentation is a way to communicate research or understanding of a topic in a short and concise format. It helps to improve skill, Communication, ability to express your technical views of students. Poster presentations develop your ability to communicate perceptively and concisely an important workplace skill. The purpose of your poster presentation will be shaped by how they are used in your discipline and by the assessment task itself.

iii) Objectives of the programme:

- 1) To develop the presentation skills.
- 2) To develop the stage courage and Presentation skill among the students.
- 3) To boost the communication skills.
- 4) To know the contribution of various scientists in the field of Plant Pathology.

iv) Details of participants: 16 (Male-01 & Female-15)

v) Brief summary of Events:

Department of Botany Organized Poster Presentation Competition on the occasion of Birth Anniversary of E. J. Butler for B.Sc and M.Sc. students. All participants prepared the beautiful posters and presented in well manner. Ms. P. V. Kumbhar, Ms. P. B. Gore, Ms. N. S. Kamble observed all the posters. Students explained about the scientist who contributed a lot in the field of Plant Pathology. They made posters on the life of Anton de Bary, K. C. Mehta, E. F. Smith, etc. They explained the impact on plant disease management in India and Globally. They made the posters with images of various plant species and fungi, highlighted their contribution to plant pathology and Mycology.

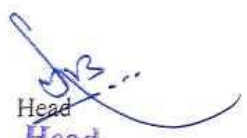

vi) Conclusion of the programme:

Students get knowledge about the competition. They are motivated for the participation in various competitions. The skill of presentation and interaction skill developed among the students. Students got the information about work of E. J. Butler & various scientists in the field of plant pathology and Mycology.
