B) Report:

i) Title: Celebration of Birth Anniversary of Dr. M. S. Swaminathan

ii) Introduction:

The Department of Botany, Rajarshi Shahu Mahavidyalaya, Latur, organized a programme on 07th Aug 2026 to commemorate the birth anniversary of Dr. M. S. Swaminathan, the eminent Indian agricultural scientist and the father of the Green Revolution in India. The programme was organized to remember and honour his remarkable contributions to Indian agriculture, food security, sustainable development, and the welfare of farmers. The programme aimed to create awareness among students about Dr. Swaminathan's outstanding contributions to agriculture and his vision of sustainable and farmer-oriented agricultural development. The programme will encourage students to develop scientific thinking and appreciate the role of research and innovation in solving agricultural and environmental problems.

iii) Objectives of the programme:

- 1) To promote awareness about food security and sustainable agricultural practices among students.
- 2) To encourage students to appreciate the contribution of scientists to national development and understand the relationship between science and society.
- 3) To compare conventional agricultural practices with sustainable and scientifically improved agricultural approaches.
- 4) To understand the importance of plant breeding, crop improvement, agricultural research, and modern scientific technologies in enhancing crop productivity.

iv) Details of Participants: 40 (Males-07 & Females-33)

v) Brief summary of Events:

On the occasion of Birth Anniversary of Dr. M. S. Swaminathan, Department of Botany organized Poster Presentation Competition. The Chairperson of this programme was Dr. K.D.Savant, Head, Department of Botany .The programme was started with welcoming the Chief Guest Prof. Suresh Tambde Vice Principal, Rajarshi Shahu Junior Science College, Latur

The programme commenced with offering floral petals to the portrait of Dr. M. S. Swaminathan as a mark of respect and tribute to his remarkable contributions to Indian agriculture, food security, and sustainable agricultural development. The introductory address delivered by Ms. N. S. Kamble, Guest of Honour was Mr. Suresh Tambde, during his lecture. He explained how Dr. Swaminathan emphasized the importance of scientific research, improved crop varieties, modern agricultural practices, food security, and the welfare of farmers. He also highlighted the relevance of the Evergreen Revolution. Mr. Suresh Tambde motivated the students to develop an attitude of research, innovation, environmental responsibility, and social commitment. Tambde Sir inspired the students to follow the ideals of Dr. M. S. Swaminathan and contribute meaningfully to sustainable agriculture, food security, and the development of society.

The programme was presided over by Dr. K. D. Savant, Head of the Department of Botany. In his presidential address, he urged students to actively participate in environmental conservation and contribute towards building a sustainable future. The event concluded with a vote of thanks proposed by Ms. Muskan Shaikh.

vi) **Conclusion:**

Students gain the information about Contribution of Dr. M. S. Swaminathan and their work in Green Revolution. participants make posters related to green revolution on the occasion of Birth Anniversary of Dr. M. S. Swaminathan. This Programme was informative, inspiring, and meaningful for the students. It provided an opportunity to understand the remarkable contributions of Dr. Swaminathan to the Green Revolution, food security, agricultural research, and sustainable development.
