9) Total Expenditure for the Programme:		6000/-		
10) Source of Funding:		Student Association		

B) Report

i) **Title:** Inauguration and Welcome Function.

ii) **Introduction:**

The Department of Botany organizes a variety of academic, co-curricular, and awareness-oriented activities through '**Symbiosis**' A Students' Association in Botany. The association serves as an effective platform for strengthening interaction between students and faculty members while fostering scientific curiosity, environmental awareness, creativity, and a genuine passion for Botany. As an annual practice, the Department organizes a **Welcome Function for newly admitted students** as a part of the **Inaugural Function of Symbiosis**. The programme provides an opportunity to formally welcome and orient the freshers to the department and its academic environment. It also helps new students become familiar with the faculty members, senior students, departmental activities, facilities, academic practices, and opportunities available within the department. The initiative promotes a sense of belonging among newly admitted students and facilitates their smooth integration into the departmental community. It further encourages healthy interaction, mutual understanding, and active participation in various academic and extracurricular activities throughout their programme.

iii) **Objectives of the programme:**

1. To strengthen and foster positive relationships among faculty members, senior students, and newly admitted students.
2. To familiarize new students with the Department of Botany, its academic environment, facilities, activities, and opportunities.
3. To extend a warm and cordial welcome to the newly admitted students and make them feel comfortable and valued within the departmental community.
4. To acquaint students with the academic, administrative, and institutional disciplines, rules, regulations, and code of conduct of the department and the college..

iv) **Details of participants: 92 (Male-26 and Female-66)**

v) **Brief summary of Events:** Department of Botany organized Inaugural Function of Symbiosis and Welcome Function for new students on 22nd August 2026. The program started with welcome song by Ms Akanksha Alange and Ms Nandini Dane followed by lighting lamp by the auspicious hands of Dr. Deepak Chate.

Dr. K. D. Savant warmly welcomed the newly admitted students and facilitates their smooth integration into the departmental community. In introductory speech he advised the students to make optimum use of the facilities and opportunities available in the department and the college,

and to build a bright future by developing diverse skills, enhancing their knowledge, and actively participating in academic and co-curricular activities.

Ms Nishat Fatema Patel, president 'Symbiosis', A students Association in Botany introduced the program. In his speech Hon. Dr. Deepak Chate, Inaugurator guided students about the Scope and importance of Botany and its branches like Plant Breeding, Cyto-Genetic, Plant Tissue Culture, Plant Pathology, Genetic engineering, Molecular Biology with suitable examples. He emphasized that every student should strive to develop at least one unique skill during their academic journey, as acquiring divers skills enhances confidence, creativity, employability, overall personality and gave best wishes to students. Principal Dr. Mahadev Gavhane delivered Presidential Address & gave information to the students about rules and discipline of college and department. He encouraged students to make the best use of the academic facilities, resources, and opportunities provided by the college and the department. He emphasized the importance of developing diverse skills, maintaining discipline, actively participating in academic and co-curricular activities, and working consistently towards building a successful and bright future.

All the faculties include Prof. D. R. Awad coordinator, Prof. P.V. Kumbhar, Prof. P. B. Gore & Prof. N. S. Kamble non-teaching staff Mr. N.T.Kathwate & Mr. G.K.Dhumal and all members' of Symbiosis took efforts for the success of Inauguration and Welcome Function. Ms Ritu Kamble and Ms Saniya Shiakh Anchored the program and Ms Sampada Suryawanshi expressed Vote of thanks.

vi) Conclusion:

The programme successfully familiarized students with the college and departmental environment, rules, regulations, and discipline. It also helped them to understand the role and responsibilities of senior students and their contribution to the activities of **'Symbiosis' A Students' Association in Botany**. The interaction encouraged students to actively participate in departmental activities and make effective use of the academic and extracurricular opportunities available to them.
