B) Report

i) Title: Nursery Visit

ii) Introduction:

The Nursery visit and study tour encourages students to immerse themselves in overseas study environment, exposing students to campus life and culture. It promotes experimental learning with direct experience. Apart from building academic capability, study tour also aims at building life skills such as team work, communication, problem solving skills and discussion making that are only obtained through life experience. This programme gives students the opportunity to learn the techniques of nursery and gardening. Hence, Department of Botany Organized Nursery Visit at Suchiparn Nursery for B.Sc. I students.

iii) Objectives of the programme:

1. To gain practical knowledge about plant production, maintenance, and the commercial importance of nurseries.
2. To study the different types of ornamental, medicinal, and horticultural plants grown in the nursery.
3. To know how the commercial nurseries, produce and distribute the plants.
4. To learn the techniques of nursery management.

iv) Details of participants: 18 (Males-03 & Females-15)

v) Brief summary of Events:

To promote the students for entrepreneurship department of Botany Organized Nursery Visit at Suchiparn Nursey, Latur for B.Sc. I students. After arriving at the Suchiparna Nursery Ms P.V. Kumbhar briefed the theoretical aspects of Lawn & Nursery management. After that students observed all plants. Miss P. B. Gore & Ms. N. S. Kamble introduced the different types of plants in the nursery. Technical experts guided the students about the methods and techniques of Nursery and Gardening. They also gave information about various plants like Dracaena, Casurina, Bonsai, zamia, Snake Plant, Hydrangea etc. and equipments like Spade, Trowel, Sovel, Hoe, Crowbar, Sickle, various shapes & size of pots etc.

v) Conclusion:

The nursery visit provided students with practical knowledge of different types of plants and their cultivation. Students learned various plant propagation techniques and nursery management practices. The visit helped students understand the commercial importance of nurseries and horticulture.
