B) Report

i) Title: Celebration of World Nature Conservation Day

ii) Introduction:

World Nature Conservation Day is observed on July 28 to create awareness about the importance of conserving natural resources and protecting biodiversity for the well-being of present and future generations. The programme aimed to enhance students' understanding of biodiversity conservation, environmental sustainability, climate change, ecosystem restoration, and the vital role of every citizen in protecting nature. The lecture provided an excellent platform for students to interact with an expert, gain scientific knowledge, and develop a sense of environmental responsibility.

iii) Objectives of the programme:

- 1) To raise awareness about pressing environmental issues, such as climate change, biodiversity loss and pollution.
- 2) To emphasize the importance of conservation efforts and sustainable practices to protect natural world.
- 3) To encourage individuals to take action in their daily lives to reduce their environmental footprint and promote sustainability. .
- 4) To develop an attitude of concern for the environment.

iv) Details of participants: 39 (Males-09 & Females-30)

v) Brief summary of Events:

On occasion of World Nature Conservation Day, the Department of Botany, organized a guest lecture on conservation of Nature. Dr. K.D. Savant, Head Department of Botany chaired the session. The programme was started with welcoming the resource person Dr. Vijay Dalvi Head of the Department of Geography, Rajarshi Shahu Mahavidyalaya, Latur.

The programme commenced with the watering of a plant by the chief guest as a symbolic gesture of environmental conservation. The introductory address delivered by Ms. P. V. Kumbhar. The keynote speaker was Dr. Vijay Dalvi, he highlighted the importance of nature conservation, the responsibility of every citizen towards environmental protection, and the necessity of sustainable development. He also explained the ongoing environmental degradation, its causes, and its long-term consequences.

Dr. Vijay Dalvi emphasized the harmful effects of increasing pollution, deforestation, overexploitation of natural resources, and climate change on the environment. He encouraged everyone to adopt eco-friendly practices in their daily lives

and stressed that environmental conservation is not merely a responsibility but a fundamental duty of every citizen.

The programme was presided over by presidential talk of Dr. K. D. Savant, Head of the Department of Botany. In his presidential address, he urged students to actively participate in environmental conservation and contribute towards building a sustainable future. The event concluded with a vote of thanks proposed by Ms. Ritu Kamble.

v) Conclusion:

The guest lecture on the occasion of World Nature Conservation Day was highly informative and inspiring. It successfully enhanced students' awareness of environmental conservation, biodiversity protection, and sustainable development. The expert lecture motivated the participants to adopt eco-friendly practices and recognize their responsibility towards protecting nature.
