v. Brief Summary of Events / Sessions

A training programme on Cyber Shiksha for Cyber Suraksha: Learn and Earn Project 2024-25 for teacher coordinator and club officers was conducted at Quick Heal Foundation office at Pune on 11/6/2024. During this training programme, all the information regarding this

project was given with PPT presentation, interaction and demonstration of each activity to be conducted. Various tasks were also given to the teacher coordinators, club officers and cyber warriors during training programme. The Chairperson of QHF, Mrs Anupama Katkar madam guided the participants and motivated them to do best for the benefit of society. Mr Ajay Shirke guided on how to develop our own personality through this project. Mrs Sugandha Dani and Mrs Gayatri Keskar guided on how to conduct presentations, impact activities and mass gathering activities.

After training programme, the selection of cyber warriors was done based on their performance of PPT presentation and viva. Then the training programme for cyber warriors was conducted in which the detailed information about how to conduct presentations at schools and colleges, impact activities, mass gathering activities to be conducted and various forms to be filled during sessions. The RSML-QHF Cyber Club was formed with 40 cyber warriors and 2 teacher coordinators.

As per the execution plan, the cyber warriors visited and taken permissions for sessions from the authority of schools and colleges for conducting awareness session(s). After getting permission, the cyber warriors conducted awareness sessions successfully using PPT and a very best response got from each and every school and college about sessions. The PowerPoint presentations were prepared as per the age group. Every session covered 200 and above participants. Each group conducted more than 10 sessions. These awareness sessions were conducted for students of different age groups: 5th to 7th standard, 8th to 10th standard and 11th to 12th standard through ppt.

During sessions, the information about how online frauds took place through phone calls, mobile apps, websites, etc., what precautions should be taken to avoid these frauds which may provide loss ourselves personally or financially. Also they suggested do not receive unknown call, give access permissions while using mobile apps, don't access illegal websites, do not share OTP and bank account details to unauthorised persons, etc. After each session feedback from school/college authority was taken on feedback form as well as in the form of video byte. Also cyber oath was recited by everyone. The total 190 schools/colleges, 286 presentations and 63685 target covered during these sessions in schools and colleges.

The next task was to conduct impact activities for the different communities of the society other than students. The impact activities were conducted for farmers, villagers, employees of sugar factories, banks, hospitals, Mahila Bachat Gat, Judges of district Court, MLA of Dharashiv district, etc. Everywhere, a lot of appreciation was got by students for their efforts. Also people appreciated the college and QHF for conducting this useful project for every community of the society.

The next activity was to conduct indoor and outdoor mass gathering activities to aware public at various places.
