## **B) Report**

### **i. Title**

Seminar on AI Content Creation Challenge

### **ii. Introduction**

The Seminar on AI Content Creation Challenge focused on the growing impact of Artificial Intelligence in content development. It explored how AI tools, such as ChatGPT developed by OpenAI, are transforming industries like education, marketing, and media.

The seminar highlighted both the benefits and challenges of AI-generated content, including creativity, efficiency, ethical concerns, and responsible use. It aimed to help participants understand and adapt to the evolving digital landscape.

### **Objectives of the AI Content Creation Challenge**

- To understand the role of Artificial Intelligence in modern content creation.
- To explore AI tools such as ChatGPT developed by OpenAI.
- To identify the benefits and limitations of AI-generated content.
- To promote ethical and responsible use of AI technologies.

### **iii. Details of Participants**

**197 participants (Male 77 and Female 120) attended this expert talk**

## **Iv. Brief Summary of Events/Sessions**

At the beginning of the session, the Coordinator of the Department, Ms. Jyoti Mashalkar, welcomed the resource person, Mr. Manish Karandikar. The seminar titled “AI Content Creation Challenge” was presented by the INTACH Nagpur Chapter.

The session introduced participants to the growing influence of Artificial Intelligence in modern content creation and digital communication. The speakers explained the important role of AI in generating digital content such as articles, presentations, videos, and social media posts, helping users create content more efficiently.

Participants were also introduced to AI tools such as ChatGPT developed by OpenAI and learned how these tools can assist in writing, idea generation, and content development. The speakers further discussed the benefits and limitations of AI-generated content, highlighting advantages such as speed and productivity while also explaining the need to verify AI-generated information.

The session also emphasized the ethical and responsible use of AI technologies, encouraging students to avoid plagiarism, verify facts, and use AI as a supportive tool for creativity and learning.

Students were encouraged to create short reels on heritage and actively participate in the “AI Content Creation Challenge” competition to showcase their creativity and innovation.

The seminar concluded with a vote of thanks delivered by Mr. Mahadev Bhatade, while Ms. Pooja Bhosale coordinated the program successfully

## v. Conclusion

The seminar on “AI Content Creation Challenge” provided valuable insights into the role of Artificial Intelligence in modern content creation. Students gained knowledge about AI tools such as ChatGPT developed by OpenAI and understood how these technologies can assist in generating creative and informative content. The session also helped participants recognize the benefits and limitations of AI-generated content and highlighted the importance of using AI tools in an ethical and responsible manner. Overall, the program encouraged students to explore innovative technologies and apply them creatively in academic and digital fields.
