## **B) Report**

### **i. Title**

Four Week Online Certificate Course C# Programming with .Net

### **ii. Introduction**

Recently, blended learning is widely adopted in learning environments of higher education institutions. Under the guidance of Hon'ble Principal Dr Mahadev Gavhane, the Department of Information Technology taken an initiative to design and run online certificate courses. According to this, the Department of Information Technology has designed Four Week Online Certificate Course entitled 'C# Programming with .Net'. This course was run for the students from different colleges during 18.8.2025 to 17.9.2025.

### **iii. Objectives of the Student Association**

- To provide platform for online learning to students and teachers
- To promote blended learning
- To enrich knowledge of students and teachers in recent topics
- To provide knowledge about C#.Net programming

### **iv. Details of Participants**

23 participants participated in the course out of which 18 qualified.

### **v. Brief Summary of Events / Sessions**

C# is a general-purpose, modern and object-oriented programming language pronounced as "C sharp". It was developed by Microsoft led by Anders Hejlsberg and his team within the .Net initiative. C#.net can be used to develop windows applications as well web applications. There is a lot of scope as well as openings in the software industry for this programming language.

It was decided to design a course on C# Programming with .Net Accordingly, the faculty member of Department of Information Technology Ms Jyoti Mashalkar designed the syllabus of course C# Programming with .Net, prepared video contents of course using video recording and editing software applications. These videos were kept on Google drive and shared their links with participants on Telegram group. This online certificate

course was of four week duration. Every week the video and assignment link was shared.

It was mandatory for the registered participants to submit assignment of every week and attempt final examination of course in order to get certificate. The total 23 students from different colleges were registered for this course. Mrs Chandraprabha Kulkarni worked as coordinator for this course from R. S. M. Latur(Autonomous) .

**vi. Conclusion, with Feedback on the Certificate Course:**

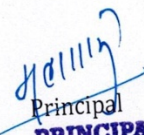

The participants were students from different colleges who were benefited from this course. The final examination was conducted through Google Form on 8.10.2025. The soft copy of certificate was issued to those participants who have successfully submitted all four-week assignments and passed the final examination.
