## B) Report

**i. Title:** Poster Presentation competition

### **ii. Introduction**

The Poster Making Competition was organized on the 19<sup>th</sup> of December 2023, commencing at 11:00 AM, to coincide with the National Energy Conservation Week. Hosted by the Department of Physics and Electronics, this event aimed to raise awareness and promote discussions surrounding energy conservation. Through engaging poster presentations, participants were encouraged to explore innovative ideas, solutions, and research findings related to energy conservation. The competition served as a platform for students, researchers, and enthusiasts to showcase their insights, creativity, and contributions towards sustainable energy practices. With a focus on highlighting the importance of energy conservation, the event fostered dialogue, knowledge sharing, and collaborative efforts within the academic community.

### **iii. Objectives of the Programme**

- To raise awareness about energy conservation.
- To motivate individuals to save and conserve energy.
- To provide knowledge about conventional and nonconventional energy sources.
- To create awareness about the relationship between humans and the use of energy sources.
- To cultivate research curiosity about the production of nonconventional energy sources.

### **iv. Details of Participants**

21 Participants (04 Male and 17 Female) participated the Poster making Competition.

### **v. Brief Summary of Events/ Sessions**

On the occasion of National Energy Conservation Week, the Department of Physics and Electronics organized a "Poster Making Competition on Energy Conservation" for students on December 19, 2023. The topics chosen by students included Biogas Energy, Save Earth Save Energy, Ways to Conserve Energy, Solar Energy, Use Energy with Care, Save Energy Save Environment, among others.

Dr. Vijay Dalvi and Dr. K.I. Momin served as examiners and cooperated effectively. Attractive prizes and certificates were awarded to students who ranked first, second, and third among the participants.

The program was inaugurated by Principal Mahadev Gavhane, who encouraged the students. Vice-Principal Prof. Sadashiv Shinde, CoE Dr. O.V. Shahapurkar, HoD Dr. A.A. Yadav, Director of Physics Students Association Dr. D.V. Raje, Mr. S.S. Undalkar, Mr. Atul More, Mr. Suraj Gund, Miss. Mayuri Hawaldar, Miss. Vishakha Patil, along with teaching and non-teaching staff, as well as all participants and students, were present.

### **Poster Making Competition Winners:**

Name of the students	Class	Rank
1. Miss Momin Aqsa	B.Sc. T. Y.	I
2. Miss Pathan Rukhsar		
3. Miss Gitte Vaishnavi	B.Sc S.Y	II
4. Miss Poonam Bhagwat	B.Sc CS S.Y	III

**vi. Conclusion, with Feedback on the Programme**

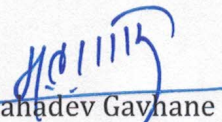

The programme successfully facilitated the development of social responsibilities among participants. Additionally, attendees gained awareness of energy conservation practices and acquired knowledge about conventional and nonconventional energy sources, including their availability.
