B) Report

i. Title - Poster Presentation Competition on National Energy Conservation Week

ii. Introduction

As part of the National Energy Conservation Week celebrations, the Department of Physics and Electronics organized a Poster Presentation Competition on 18th December 2024 at 11:00 AM. The event took place in the department corridor, providing an engaging and interactive platform for students to showcase their ideas and awareness about energy conservation. The competition aimed to foster creativity, scientific thinking, and social responsibility among students.

iii. Objectives of the Poster Presentation Competition

- To raise awareness about energy conservation.
- To motivate individuals to save and conserve energy.
- To provide knowledge about conventional and non-conventional energy sources.
- To create awareness about the relationship between humans and the use of energy resources.
- To develop a research-oriented mindset for the development of non-conventional energy sources.

iv. Details of Participants

A total of 25 students participated in the Poster Presentation Competition, including 4 male and 21 female students.

v. Brief Summary of Poster Presentation Competition

As part of National Energy Conservation Week 2024, the Department of Physics and Electronics organized a Poster Presentation Competition on Energy Conservation for both UG and PG students on 18th December 2024. The competition aimed to foster creativity and awareness among students about sustainable energy practices. Students selected thought-provoking topics such as Use Energy with Care, Ways to Conserve Energy, Solar Energy, Biogas Energy, Save Energy, Save Environment, and Save Earth, Save Energy, among others.

The event was inaugurated by the Vice Principal, Prof. Sadashiv Shinde, whose motivational presence greatly inspired all the participants. The initiative encouraged student-led innovation and highlighted the importance of conserving energy for a sustainable future.

Prof. Akanksha Mitkari and Prof. Mahesh Jadhav served as examiners and extended their valuable support in evaluating the posters. Students who secured first, second, and third prizes were awarded attractive prizes and certificates during the Workshop held on 19th December 2024, presented by the invited resource person.

The event was graced by several dignitaries, including CoE Dr. O.V. Shahapurkar, OSD and HoD Dr. A.A. Yadav, Director of the Physics Students Association Dr. D.V. Raje, along with faculty members Mr. Atul More, Ms. Mayuri Hawaldar, Ms. Vishakha Patil, Ms. Mayuri Garad, and Ms. Kranti Bhosale. All teaching and non-teaching staff, as well as student participants, were also present, contributing to the overall success of the program.

Poster Presentation Competition Winners:

Name	Class	Rank
1. Kamble Nagesh	B.Sc. T.Y.	I
2. Momin Ayesha	B.Sc. F.Y.	II
3. Swarali Vibhute	B.Sc. F.Y.	III
4. Avdhut Mali	B.A.(CEP) T.Y.	IV

vi. Conclusion, with Feedback on the Programme

The Poster Presentation Competition on Energy Conservation, conducted as part of National Energy Conservation Week 2024 for UG and PG students, proved to be a meaningful and insightful event. Through their active participation, students gained valuable knowledge about conventional and non-conventional energy sources and their availability. The competition successfully raised awareness about the importance of energy conservation, encouraging students to adopt more responsible energy practices. It also played a significant role in nurturing social responsibility and sparked curiosity and interest in the development of alternative, non-conventional energy sources.

Overall, the programme was well-received by the participants and contributed effectively to building a more environmentally conscious and energy-aware student community.
