B) Report

i. Title

Inaugural Function of Physics Students' Association (PSA) 2024-25

ii. Introduction

The Inaugural Function of the Physics Student Association (PSA) was aimed to mark the beginning of an exciting academic year for the association, which serves as a vibrant platform for students to engage in scientific discussions, explore new ideas, and enhance their overall learning experience.

The PSA is dedicated to promoting the interests of physics students and encouraging them to take part in various educational and extracurricular activities. The inaugural function was designed to motivate students to actively participate in these initiatives and foster a sense of community and collaboration within the department. Through this event, the department sought to create an environment where students could not only enhance their academic skills but also develop leadership, teamwork, and communication abilities.

iii. Objectives of the Function

- To provide students with opportunities to develop leadership and organizational skills through active involvement in various roles such as president, treasurer, or event coordinator.
- To establish a collaborative platform where students can share resources, exchange ideas, and offer mutual support in their academic pursuits.
- To invite professionals from diverse sectors to discuss career paths in academia, industry, government, and other fields, helping students explore potential career opportunities.

iv. Details of Participants:

A total of 27 student participants, including 10 male and 17 female students, were present.

v. Brief Summary of Function

The Inaugural Function of the Physics Students Association (PSA) commenced with a detailed discussion on the theme and objectives of the association, led by Dr. D.V. Raje. Dr. Raje highlighted the key goals of the PSA and emphasized its role in fostering a community of students dedicated to the advancement of physics knowledge. He also introduced the guest.

The function was formally inaugurated by Prof. M.M. Chaudhari from Maharashtra Mahavidyalaya, Nilanga, who shared his expertise on the importance of the Association of Physics. He guided the students on how such associations play a crucial role in enhancing academic and extracurricular activities, fostering collaboration, and helping students excel in their studies and future careers.

The event was chaired by Dr Abhijit Yadav, IQAC Coordinator and HoD. The event was attended Mr. A.S. More, Miss Mayuri Hawaldar, Miss Vishakha Patil, Miss Mayuri Garad, and Miss Kranti Bhosale, alongside both teaching and non-teaching staff.
