(B) A Report in the Following Format (not to exceed 2 pages)

i. Title: A Guest Lecture on “Exploring Future Career Opportunities in Microbiology”

ii. Introduction:

Microbiology is the study of living organisms that are visible under a microscope. By learning about microbiology careers, one can select a career path that aligns with its interests and professional goals. Microbiology is a vast field that offers various diverse career opportunities to its students. When students enter the professional world after acquiring a degree in Microbiology a number of opportunities would be lined up for them. The guest lecture was organized to show a career path to the graduates and post graduates in microbiology.

iii. Objectives of the Programme/ issues addressed:

1. To guide students about various career opportunities in the field of microbiology
2. To educate students how to prepare for the interviews

iv. Details of Participants: As mentioned above

v. Brief Summary of Events/ Sessions

The Farewell guest lecture was organized on 2nd April, 2024, in VLC Hall at 4:30pm. The program was inaugurated by enlightening the lamp with the auspicious hands of respected Vice Principal Prof. Sadashiv Shinde. After a formal welcome of chief guest Mr. Namdev Misal, Dr. K. G. Maske, Head dept. of Microbiology presented foreword of the guest lecture. Dr. D. V. Vedpathak introduced the guest and contribution of his establishment Top rank Makers in building career of students. The Guest of the programme, Mr. Namdev Misal took a review of various avenues of career opportunities in the field of microbiology like jobs in government, Industries, Environment protection activities, teaching, entrepreneurship development etc. Student association representatives Miss Priyanka KandePatil and Miss Shravani Changlerkar also shared the dice.

vi. Conclusion, with Feedback on the Programme:

Students understood the various career opportunities and can choose their career of interest. They can prepare themselves for either for interviews or can start their own startups.
