Curriculum

Under the Academic Autonomous Status

W.e.f June, 2014
(Revised W.e.f: 2017-18 for I year & 2018-19 for II yr)

1) Introduction:

In independent India, our visionary leader Late Hon. Jawaharlal Nehru decided to create an organization to mould youth of the country into better citizens of tomorrow. His dream came into presence in the form of setup of NCC Organization from 15th July, 1948.

National Cadet Corps (NCC) provides a platform for individual upliftment through the process of channelizing the energy of the youth in constructive pursuits. It also helps the youth to realize the intimate relationship between man and the community.

Now the day come again to strengthen, to empower the youth and make them useful human resource for the nation building.

It is an important initiative taken by Ministry of HRD/Ministry of Defense and UGC to introduce NCC as an elective subject at UG level from academic year 2013-14. Our College decided to start NCC as one of the elective subject at UG level from the academic year 2014-15 in autonomous mode.

2) Title of the Course : NCC STUDIES (Elective)

3) Objectives of the Course :

To develop organized, trained and motivated youth, to provide leadership in all walks of life and be always available for the service of the nation

To empower the youth with values and skills that could be used in the national interest.

To make aware youth about ecological environment.

To provide a suitable environment for stimulating interest of the youth in taking up a career in the Armed Forces

To develop the qualities of comradeship, courage, character, discipline, secular outlook, spirit of adventure, sportsmanship among the youth

To make the youth, useful citizens and ideal of selfless service to the society.
