

Shiv Chhatrapati Shikshan Sanstha's
RAJARSHI SHAHU MAHAVIDYALAYA , LATUR
(Empowered Autonomous Institution)
DEPARTMENT OF BIOTECHNOLOGY
B.Sc. BT II Yr 2026-27 Field Project Titles

Sr. No	Roll No	Name of the Student	Field Project Title
1	1	ALTE SANGHMITRA SIDDHARTH	Field Survey of Services, Practices, and Customer Experience at a Traditional Thali Foot Massage Centre in Vikram Nagar, Latur
2	2	BELURE SIDDHANT UMAKANT	Field Assessment of Processing Techniques and Quality Standards in Oil Processing Units in Latur
3	3	BHANGE PRACHI RAM	Survey and Documentation of Diseases Affecting Papaya and Grape Crops
4	4	BHOSALE ARUNDHATI MAHADEV	Field Survey of the Occurrence and Ecological Impact of Water Hyacinth (<i>Eichhornia crassipes</i>) in Kava Lake, Latur, Maharashtra
5	5	BHOSALE SNEHA PADMAKAR	Survey of Dairy Products and Processing Practices at SD Milkpro Private Limited, Dharashiv
6	6	BODAKE TANUJA SAMBHAJI	Survey of Plant Disease Incidence in Major Field Crops of Sikanderpur (Kolu), Latur District
7	7	CHAVAN BHAKTI NARAYAN	Survey of Menstrual Health Practices and Accessibility of Menstrual Products among women in Rural Areas of AUSA Taluka, Latur District
8	8	CHAVAN SHEKHAR BANDU	Field Survey of Aquatic Plant Diversity in Makani Dam
9	9	CHAVAN VIKAS SANJAY	Assessment of Soil Health, Irrigation Practices, Crop Production Practices, and Farming Constraints in Latur Taluka

Sr. No	Roll No	Name of the Student	Field Project Title
10	10	CHOLE KRISHNA RAJESH	Field Survey of Biomedical Waste Management Practices, Safety Measures, and Regulatory Compliance in Private Clinics of Latur City
11	11	DESHMUKH SHARVARI RAJENDRA	Survey of Functional Food Consumption, Nutritional Awareness, and Dietary Practices among College Students
12	12	DHADE NANDINI SHESHERAO	Field Assessment of Milk Collection Practices, Fat Content, and Milk Quality at Milk Collection Centres in Shirol, Nilanga Taluka, Latur District
13	13	DOMBE HARI SURYAKANT	Field Survey of Drug Dispensing Practices and Commonly Sold Medicines in Retail Medical Shops in Latur
14	14	DONGARE PRATIKSHA PRALHAD	Survey and Documentation of Flowering and Fruit-Bearing Plants in Suchiparni and Konkan Nurseries, Latur
15	15	FASE YASH PADMAKAR	Field Survey of Crop Cultivation Practices, Crop Diseases, and Pesticide Use in Agricultural Farms of Ter Village, Dharashiv District
16	16	GAIKWAD SHITAL RAMESH	Survey of Organic and Chemical Fertilizer Use for Crop Cultivation in Pohregao, Renapur Taluka, Latur District
17	17	GAMBHIRE SHWETA SANJAY	Field Assessment of Dairy Farming Practices, Milk Collection Centre Management, and Milk Quality
18	18	GHUTE SUMIT SATISH	Survey of Common Plant Diseases Affecting Crops in Murud
19	19	GORE VAISHNAVI BAJRANG	Comparative Survey of Fertilizer and Biofertilizer Use in Soybean and Sugarcane Cultivation in Palsap, Dharashiv District

Sr. No	Roll No	Name of the Student	Field Project Title
20	20	GUND ANUSHKA ASHOK	Field Investigation of Technical Knowledge and Adoption Gaps in Mulberry Pest Management and Silkworm Rearing Practices
21	21	GURAV BHAGYASHREE LAXMANRAO	Survey of Diabetes Prevention Awareness, Risk Factors, and Lifestyle Practices among Adults in Siddheshwar Chowk, Latur
22	22	HANGARGE SHRIDHAR RAM	Field Assessment of Cotton Varieties, Fertilizer Management Practices, and Disease Incidence in Methi, Ahmedpur Taluka
23	23	HANKARE PRANJALI MADHUKAR	Field Analysis of Soil Fertility and Nutrient Status in Samudral, Dharashiv District
24	24	KADAM SNEHA NANDKUMAR	Survey of Migraine Symptoms, Stress Levels, and Self-Medication Practices among College Students in Latur
25	25	KADAM BODKE MAYURI SUNIL	Survey of Common Medical Conditions in the Latur Region
26	26	KALE ANAND SUBHASH	Field Survey of Industrial Oxygen Production Technologies and Plant Operations
27	27	KALE PRATIK DNYANESHWAR	Survey of Awareness and Traditional Use of Medicinal Plants for Home Remedies in Makni, Lohara Taluka, Dharashiv District
28	28	KALE PRIYANKA PANDURANG	Field Survey of Organic Farming Practices and Farmer Awareness
29	30	KAMBLE PRIYA RAMESH	Field Survey of Invasive Plant Species in Agricultural Fields of the Latur Region

Sr. No	Roll No	Name of the Student	Field Project Title
30	31	KAWALE SHOBHA HANUMANT	Ethnobotanical Survey and Market Potential of Wild Edible Vegetables Consumed by Rural Communities in Chincholi, Latur District
31	32	KESHAVE SHAILESH SHIVRAM	Field Survey of Vermicomposting Awareness, Adoption, and Economic Benefits among Farmers in Chincholi Village, Latur District
32	33	KHARADE ASMITA SOMNATH	Field Survey of Cultivation Practices, Pest Management, and Fertilizer Use in Pigeon Pea (<i>Cajanus cajan</i>) and Soybean (<i>Glycine max</i>) in Salgara Village, Latur
33	34	KINIKAR MADHURA MADHAV	Survey of Medicinal and Aromatic Plants Cultivated in the Local Region
34	35	KUMBHAR PRACHI DATTA	Survey of Common Diseases of Soybean Crops and Pesticide Use for Their Management Chikurda Village in Latur
35	36	KUTWADE SAKSHI PRADIP	Field Survey and Identification of Vegetable and Fruit Diseases in Agricultural Fields of Sonvati and Babhalgav
36	37	LAKAL SAI KAILAS	Field Survey of Dairy Industry Operations, Processing, Quality Control, and Biotechnology Applications
37	38	LANDGE VEDANT SACHIN	Survey of Fast-Food Consumption Patterns and Perceived Health Effects among Students in Latur
38	39	LOMATE TEJAL POPAT	Field Survey of Sugar Manufacturing Processes and By-Product Utilization at Bhairavnath Sugar Factory
39	40	MADKE RITIKA RAJU	Field Study of Sugar and Jaggery Production Processes and Associated By-Products at Manjra Sugar Factory, Latur

Sr. No	Roll No	Name of the Student	Field Project Title
40	41	MADNE TUSHAR PRALHADRAO	Field Survey of Indigenous Medicinal Plants and Their Therapeutic Uses in Bidar
41	42	MANE SAEED AMOL	Field Survey of Infrastructure, Water Management, and Growing Media Practices in Commercial Plant Nurseries in Latur City
42	43	MANIYAR SAYMA LATIF	Survey of Food Adulteration, Consumer Awareness, and Purchasing Practices in Chowdary Nagar, Latur
43	44	MATHPATI DHANESHWARI NIJLINGAY	Field Assessment of Pomegranate Cultivation Practices and Disease Management at ICAR-National Research Centre on Pomegranate, Solapur
44	45	MOTIPAWALE SNEHAL SANTOSH	Field-Based Study of Fish Farming Practices in Udgir, Latur District, Maharashtra
45	46	MULANI FAISAL FIRDOSH	Field Survey of Sugarcane Cultivation Practices, Irrigation, and Fertilizer Use in Khed, Lohara Taluka
46	47	MUNDHE SHRUTI SATYAJIT	Survey of the Adoption of Government Agricultural Schemes among Farmers in Shree Nagar, Latur
47	48	NAGARGOJE GURUDAS DEVNATH	Field Survey of Plant Tissue Culture Laboratory Facilities in Latur, Maharashtra
48	49	PADWAL KUNDAN GOROBA	Field Study of Milk and Traditional Dairy Product Processing and Manufacturing Practices at Rohit Khava Bhatti, Upla, Maharashtra
49	50	PANCHAL PRATHMESH DNYANOBA	Field Survey of Clinical Diagnostic Tests and Laboratory Instruments in a Pathology Laboratory at MIT, Latur

Sr. No	Roll No	Name of the Student	Field Project Title
50	51	PANCHAL RUTUJA VITTHAL	Field Investigation of Soil Microbial Diversity, Plant Growth, and Cotton (<i>Gossypium hirsutum</i> L.) Yield under Different Biofertilizer Treatments
51	52	PATEL AYAN HAKANEE	Field Survey of Freshwater Microalgal Diversity in Latur District
52	53	PATIL ANIKET VIJAYKUMAR	Documentation of Indigenous Knowledge and Utilization of Wild Medicinal Plants in Agroecosystems of Shambhu Omerga, Latur District
53	54	PAWAR PRANITA PARAMESHWAR	Field Survey of Soil Health, Nutrient Management, and Crop Production Practices in Soybean and Sugarcane Cultivation in Naichakur Village, Dharashiv District
54	55	PAWAR PRATIKSHA SUNIL	Field Survey of Cultivation Practices, Irrigation Management, and Fertilizer Use in Tur (<i>Cajanus cajan</i>) and Sugarcane (<i>Saccharum officinarum</i>) in Ambevadi, Dharashiv District
55	56	PAWAR SAKSHAM LAKAPPA	Survey of Common Pests and Diseases Affecting Ornamental Plants in Local Nurseries and Their Management Practices
56	57	PHUNDE PRANALI BHAGWAN	Field Survey of Cropping Patterns and Agrochemical Use in Local Farming Systems
57	58	POTDAR PRANAV SHRIRAM	Field Survey of Blood Pressure Patterns and Associated Lifestyle Factors among Adolescents and Adults in Latur
58	59	SARDE SHITAL BHAUSAHEB	Field Survey of Mulberry Farming Practices and Silk Production in Sericulture
59	60	SHAIKH JAKKIYAN AMIRPASHA	Survey of Awareness and Practices Regarding Self-Medication with Antibiotics among Students in Ausa Road, Latur

Sr. No	Roll No	Name of the Student	Field Project Title
60	61	SHAIKH SABER FIROJ	Survey of Kharif Crop Cultivation Practices in Kalamb Village, Dharashiv District
61	62	SHAIKH SAMAD SAYYAD	Survey of Organic and Chemical Fertilizer Use among Farmers in Khed, Lohara Taluka
62	63	SHINDE SAKSHI GOVIND	Field Survey of Polystyrene Waste Disposal, Recycling Practices, and Environmental Impact
63	64	SIRSAT PRANAV PRALHAD	Field Investigation of Socioeconomic Drivers and Barriers Influencing Bioinoculant Adoption among Smallholder Sugarcane Growers in Walewadi, Beed District
64	65	SITAPURE KANISHKA PRASHANT	Survey of Awareness of Metabolic Disorders among the General Public in Indira Nagar, Latur
65	66	SITAPURE SHREYASH PRASHANT	Survey of Antibiotic Resistance Awareness, Knowledge, and Antibiotic Use Practices among the General Public in Garud Chowk, Latur
66	67	SUBHEDAR PRASAD MADHUKAR	Survey and Documentation of Diagnostic Tests and Instruments Used in Pathology Laboratories
67	68	SWAMI TEJSWI MALLAYYA	Field Study of Sugar Factory Operations, By-Products, and Agricultural Impacts in Latur District
68	69	VADETWAR SHIVANI SHANKAR	Field Survey of Cancer Patient Demographic Profiles and Healthcare Services at Swami Vivekananda Cancer Hospital, Latur
69	70	VAGGE ONKAR BASAVESHWAR	Industrial Field Study of Sugarcane Processing, Quality Control, and Waste-to-Wealth Practices in a Sugar Industry in Solapur

Sr. No	Roll No	Name of the Student	Field Project Title
70	71	WAGHE PRITI GAJENDRA	Comparative Field Survey of Seasonal Crops and Cropping Patterns in Wadgaon, Tuljapur
71	72	AADSULE SAGAR SHRIRAM	Field Survey of Hypertension and Diabetes Cases and Medications Dispensed at Medical Stores in Prakash Nagar, Latur
72	73	AGALE HRUTIK MEGHARAJ	Survey of Indigenous Seed Preservation Techniques among Rural Farmers in Akola and Ambajogai
73	74	AUSEKAR AGRAJ ATUL	Field Survey of Indigenous Medicinal Plants and Their Applications in the Latur Region
74	75	JADHAV NISHANT PANDURANG	Field Survey of Dominant Weed Species in Soybean Crops and Farmer Practices for Pre- and Post-Emergence Herbicide Use in Palshi, Latur District
75	76	JADHAV SHAHURAJ YASHWANT	Field Survey of Fertilizer Products, Biofertilizer Availability, Crop-Specific Recommendations, and Agro-Input Shop Services in Latur
76	77	GAVHANE OM PARMESHVAR	Field Survey of Seed Varieties, Fertilizer Products, and Agricultural Input Availability in Agro-Input Shops in Latur
77	78	KAMBLE SANKET BHAGWAT	Field Survey of Ornamental Flower Biodiversity and Cultivation Practices in Horticultural Farms of Pakharsangvi, Latur District
78	79	HUNDEKARI AMRUTA SHARAD	Field Survey of Soil Health and Biological Indicators in Ausa Taluka
79	80	GAVHANE SAGAR KALIDAS	Survey of Dairy Farming Practices and Dairy Products in Babhalgav Village

Sr. No	Roll No	Name of the Student	Field Project Title
80	81	HALE DIVYA GANGADHAR	Community-Based Survey of Awareness of Polycystic Ovary Syndrome (PCOS) among Women in Latur, Maharashtra
81	82	GAVHANE PAVANRAJE MAHADEV	Survey of Major Crop Diseases, Their Symptoms, and Management Practices in Ambajogai
82	83	MUNDHE VAISHNAVI SANTOSH	Field Survey of Traditional Household Remedies for Seasonal Ailments in Hadoli Village, Chakur Taluka
83	84	GARJE SAKSHI RAJESH	Comparative Field Survey of Certified and Non-Certified Soybean Seed Varieties and Their Association with Crop Yield
84	85	HAUL VISHNU BABASAHEB	Survey of Post-Vaccination Complications Reported after COVID-19 Vaccination in Niwali Village
