10) Source of Funding:	Rajarshi Shahu Mahavidyalaya, Latur			

B) A Report

i. Title: Invited Talk on Environment and Ecology

ii. Introduction:

An Environment is everything that is around us, which includes both living and nonliving things such as soil, water, animals and plants, which adapt themselves to their surroundings. Ecology is the study of how organisms interact with one another and with their physical environment. This is a topic of B certificate examination as well as NCC-Studies second year. Keeping this into mind we had arranged a invited talk by Dr. Kakasaheb Raut on 6 Feb 2023

iii. Objectives of the Programme/ issues addressed

- To understand the distribution of biotic and abiotic factors of living things in the environment
- To impart ecological knowledge
- To get knowledge about prevention of pollution

iv. Details of Participants: Total 05 cadets(Boys) were present and 1 CTO

v. Brief Summary of Events/ Sessions:

CTO Dr. Mahesh Wavare introduced about programme and the speaker. Dr. Kaksahab Raut gave talk on Environment and Ecology. He explained ecological systems in details. He also talks on types of pollution and how to control pollution on earth.

vi. Conclusion, with Feedback on the Programme

All the Cadets got about knowledge of Environment and Ecology and factor that affect the environment

vii. Any Appendix if necessary
