Activity Report

Skill Development

CA Foundation Cell organized a Skill Development Programme on 24.09.2024 which is delivered by Prashant Sir. All the students participated with great enthusiasm. This program helped students to learn important skills like managing money and improving communication, teamwork, and public speaking. Overall, the program was engaging and gave students valuable tools for their future careers. This programme helps students to equip their real-life challenges by developing both financial and soft skills.

Guest Lecture on Skill Development
