Educational Tour

On 4th December, 2024; an educational tour was organised by CA Foundation Cell for the students of 11th and 12th Commerce CA Foundation divisions to Raigad fort and Alibag beach. The main goal was to provide students with practical learning experiences that complemented their academic knowledge. The group of 118 students and 6 along with co-ordinators and 6 teachers visited several sites, engaging in guided tours and activities. Students were able to observe real-life applications of concepts. The tour included games and discussions deepening on their interest and situations. Overall, the experience was well-received by students, who appreciated the hands-on learning and enjoyed a lot.
