# From the Desk of the Chairperson...

The Department of Economics working since the inception of the institute i.e. 1970. P.G. program started in June 1979. The department has produced many meritorious students at U.G. and P.G. level by providing quality coaching in the subject. The department has arranged many seminars, conferences, surveys and study tours to create interest and better understanding among the students. The core courses are designed to provide and modify the theoretical and the analytical foundations in Economics. Range of elective courses are offered in applied areas to enable the students to develop their employability and research skills. The skill enhancing courses help students to acquire the required skill for employability. The programme helps students to build their careers in financial services, insurance, human resources, international business, environment management, behavioral economics and research.

The Department of Economics implemented NEP-2020 from the Academic Year 2023-24. As per the guidelines, at 4.5 level i.e. (UG I) for Sem-I Two Core courses- DSC - I & II and for Sem-II DSC- III & IV (IKS) are introduced. A Vocational Skill Course (VSC- I & II) aligned to DSC/Major course is also prescribed. For PG I, (Sem-I&II) Three major courses, one Agricultural Economics -I & II (MEC-I&II) and one Research Methodology Course (RMC) are introduced.
