From the Desk of the Chairperson...

B.A. (Degree) in Public Administration is a degree for those who seek leadership positions in public services. The students will learn the skills and techniques to design and implement policies, projects and programs to provide vital daily services and address important societal problems while attending day to day administrative issues in organizations. Students will be prepared for leadership and management positions in the public and non- profit sectors, at local, state and national levels with an emphasis on the development of effective and ethical management of organizations. The employment areas for (BA) Public Administration are in the field of Corporate Management, Economic Development, Indian Civil Services, Fire and Emergency Services, Public Works, Land Revenue Systems, Municipal Bodies, etc.

The curriculum of B.A. (Degree) Public Administration Program is prepared according to the Learning Outcomes Based Curriculum Framework (LOCF). It intends to help the learners in understanding the objectives of studying Public Administration. This curriculum will help them in understanding, critically engaging, analyzing and appreciating the societal and market relevance. The curriculum is prepared by considering the global, national and regional needs as well as skills required in administration of various employment sectors. Goal of the department is to prepare the students with administrative capabilities.
