## About Department

The Department of Chemistry began offering the B.Sc. Chemistry course in the academic year 1971–72, followed by the introduction of Analytical Chemistry at the undergraduate level in 1985–86. The M.Sc. Chemistry program has been running since 2014–15, while the Research Center in Chemistry, affiliated with S.R.T.M.U. Nanded, was established in 1999–2000. Over the past five years, the department has organized several hands-on training programs, seminars, workshops, and symposiums to enhance academic and research engagement. Faculty members and researchers have published numerous research papers in reputed journals with high impact factors, and several faculty have successfully completed minor research projects. The department has also recently established a memorandum of understanding (MOU) with the Indian Institute of Chemical Technology (IICT), Hyderabad.

## Significance of Conference

- Dissemination of Cutting-Edge Research and Innovations
- Pre-Publication Insights
- Diverse Perspectives
- Fostering Collaboration and Networking
- Connecting with Peers and Experts

- Interdisciplinary Dialogue
- Translating Research into Application
- Professional Development and Skill Enhancement
- Staying with Current Trends

## Research Thurst Areas

- Material Chemistry
- Supramolecular Chemistry
- Chemistry & Allied Sciences
- Pharmaceutical Chemistry
- Nano-chemistry & Nanotechnology
- Catalysis
- Green Chemistry
- Analytical Chemistry
- Applied Organic Chemistry
- Co-ordination Chemistry
- Organic Synthesis
- Click Chemistry
- Computational Chemistry
