Workshop Coordinator

Dr Abhijit Yadav

IQAC Coordinator

Venue

VLC Hall, Rajarshi Shahu Mahavidyalaya, Latur 413512 (M.S.) India

Dear Sir/Madam,

We are cordially inviting you to participate in the **Workshop on Preparation and Implementation of IDP** to be held on January 20, 2026.

About the Workshop

This workshop provides Higher Education Institutions (HEIs) with a practical and comprehensive understanding of the Institutional Development Plan (IDP), a strategic roadmap mandated by UGC guidelines and aligned with the principles of NEP 2020, SDGs, and NCrF. Participants will learn the full life cycle of the IDP, covering initial strategic preparation-including vision setting and SWOC analysis-to detailed operationalization, which involves defining SMART objectives and developing action plans across the key Enabler Parameters for Institutional Excellence (such as Academic, Financial, and Digital Enablers); the ultimate goal is to equip leadership and planning teams with the necessary tools to ensure effective implementation, continuous monitoring, and transparent, holistic institutional growth.

Key Focus Areas of Workshop

The key focus areas include:

- Understanding UGC Guidelines for IDP
- Establishment of an IDP Cell at HEIs
- Strategic Inputs for Plan Development
- Case Studies and Practical Experiences.

About the Rajarshi Shahu Mahavidyalaya, Latur

Founded in 1970 by the Shiv Chhatrapati Shikshan Sanstha with a mission of "Pursuit of Excellence," the college provides quality education to underserved communities. It is currently affiliated with Swami Ramanand Teerth Marathwada University, Nanded. The institution boasts several key milestones and achievements, notably becoming the first in the Marathwada Region to secure academic autonomy in 2013, an autonomous status that has been renewed to Empowered Autonomous status from 2025-26. The college has consistently received high recognition from the UGC, being designated a 'College with Potential for

Excellence' across three phases (2006, 2009, 2014) and receiving DST-FIST support (2014, 2023). A major contribution to the educational landscape is the development of the famous 'Latur Pattern in Education' (or 'Shahu Pattern'), a highly successful methodology that is now mandated by the Government of Maharashtra for educational institutes statewide. Its excellence has been acknowledged with prestigious awards, including the inaugural 'Ideal Educational Institute' Award (2000) from the Government of Maharashtra. Academically, the college was the first in the region to undergo NAAC assessment (2003) and recently achieved an A+ Grade (CGPA 3.49) in Cycle IV (2024). Demonstrating foresight, it proactively adopted the National Education Policy (NEP-2020) in the 2023-24 Academic Year. The college currently offers 19 UG and 13 PG programmes, with 11 departments recognized as Research Centers.

About PM-USHA

Pradhan Mantri Uchchatar Shiksha Abhiyan (PM-USHA) is a flagship centrally-sponsored initiative dedicated to elevating the quality and equity of higher education across India. In a significant milestone for institutional excellence, Rajarshi Shahu Mahavidyalaya, Latur (Empowered Autonomous) has been selected as a beneficiary of this program. The institution has been awarded a prestigious grant under the "Grants to Strengthen Colleges" scheme, aimed at bolstering infrastructure, academic resources, and research capabilities.

How to Reach Latur

Nearest airport is Shri Guru Gobind Singh Ji Airport, Nanded about 125 KM from Latur. Nearest railway stations are Latur (LUR) and Latur Road (LTRR). Other railway stations are Solapur (SUR) and Nanded (NED).

Nearby Places to Visit

Near Latur, one can visit Parli Vaijnath, Nanded's Hazur

Sahib Gurudwara, and Tuljapur's Tulja Bhavani Temple for spiritual sites. Within Latur and its immediate vicinity, popular attractions include Ausa Fort, Udgir Fort, and the Kharosa Caves.

About IDP

Launched by the UGC on February 6, 2024, the Institutional Development Plan (IDP) serves as a comprehensive strategic roadmap designed to drive institutional growth and academic excellence through the collective participation of board members, faculty, staff, and students. By providing a structured framework for self-assessment and long-term goal setting, the IDP enables Higher Education Institutions (HEIs) to implement systematic improvements in critical areas such as curriculum design, faculty training, research innovation, and student support services. Ultimately, integrating these IDP enablers streamlines governance and ensures rigorous compliance with national frameworks-including NEP 2020, NAAC accreditation, and NIRF rankings-thereby elevating the institution's overall standards and research output.

Targeted Participants

The Management members, Principal, Vice-principal, IQAC Coordinators, faculty members, research scholars, PG Scholars, participants from Government, Industry and staff of host institution.

| Category | Registration Fee |
